

# LIAM RENEE J. LOBO

## WEB DEVELOPER

484 Manibaug Paralaya Porac Pampanga | liamlobo9@gmail.com | +09312117116

### CAREER OBJECTIVES

Contribute technical and problem-solving skills within a professional IT and web development environment, building on a foundation in both front-end and back-end development. As an undergraduate, I am seeking the opportunity to grow through hands-on experience, expand my understanding of real-world workflows, and make the most out of my OJT by becoming a better and more capable web developer. I aim to further develop my creativity, adaptability, and collaboration skills in a setting that encourages learning and innovation.

### TECHNICAL SKILLS

Frontend Development	Programming Languages (HTML, JAVA, CSS, JAVASCRIPT, PYTHON, NODE.JS, FIREBASE)	Tools & Technologies (Visual Studio Code, Github, Firebase, Netlify)
----------------------	--	---

### PROFESSIONAL PROJECTS

#### EDAM Academy

March 2025 - April 2025

- Collaborated on the website design and improved its user interface using HTML, CSS, and JavaScript.
- Enhanced the site's interactivity and responsiveness to improve user engagement.

#### Dinie Dinie

March 2025 - April 2025

- Took lead on both design and core functionality of the website.
- Added interactive features with JavaScript and improved front-end responsiveness.
- Focused on layout, styling, and front-end functionality to ensure a user-friendly experience.

#### Cozy Cafe Website

May 2025 - June 2025

- Designed and developed a fully functional café-style website using HTML, CSS, and JavaScript.
- Built user-friendly navigation and styled the layout for an engaging customer experience.
- Showcased features such as a menu, contact form, and separate pages for various sections.
- Hosted the site using GitHub Pages.

### EDUCATION

#### Holy Family Academy

2010-2022

Science, Technology, Engineering, and Mathematics (STEM)

#### Holy Angel University

2022-Present

Bachelor of Science in Information and Technology (Web Development)
